Photo's and movie viewing day 2018

About a month ago the 8th edition of the annual viewing day at Gerard Koopman's residence was organised.

For all visitors an ideal opportunity to discover the accommodation, admire the pigeons and meet the Koopman-team. The interest this year was huge.

For a review on this successful day, check here:

Perhaps we meet (again) next year and we wish you all a very good racing season!

Kind regards,

Gerard Koopman

Over 80 years of successful pigeon sport!

We consider it our duty to inform all fanciers of the Koopmanship and all who consider pigeons as professional athletes as fully as possible.
