Invitation Viewing Day 2018

February 21st 2020, we organise a new viewing day / open door day. We like to invite you to join us and experience this day with us.

The regular visitors know what to expect, just for the record a small survey of all the activities on the 21st of February:

In March next year about 20 youngsters (born 2019) shall be offered for sale via [www.herbots.be](http://www.herbots.be)

On the viewing day all pigeons can be handled and you are enabled to get a good impression of our pigeons. Probably extra interesting this time is to look around in the racing sections. All lofts are recently supplied with new boxes.

The day starts at 14.00. And it will end around 20.00.

Furthermore you can meet:

- Team Koopman
- Niek Erents photography & film
- DHP, Bas Thiele
- PigeonPhotography
- Firm Beyers
- Viewing of the racing and breeding lofts
- Excellent Catering facilities

We would like to ask you to sign-up for the viewing day.

You can do so by sending an e-mail to one of the following addresses:

[info@gerardkoopman.com](mailto:info@gerardkoopman.com)

[gkoop17@xs4all.nl](mailto:gkoop17@xs4all.nl)

Concerning the services offered by PigeonPhotography on the viewing day, please register quickly as there is a limit to the number of pigeons to be photographed (to offer as many fanciers as possible the chance to meet PigeonPhotography).

Ask for the price of making a professional photo of your favourite pigeon by contacting [sanne@pigeonphotography.com](mailto:sanne@pigeonphotography.com)

For now we hope you enjoy your holidays and we wish you all the best for a prosperous 2020.

Hopefully we meet each other soon!
